Integrated alphabetical accredited journals list, 2024

Disclaimer: This is an integrated alphabetical list of the 7 accredited journal lists provided by the DHET.
The DOAJ list (one of the 7) consists of multiple titles that are not in the Latin alphabet. These titles were replaced by alternative titles provided by the DHET.
Foreign alphabet scripted titles, where alternative journal titles were not provided by DHET, were removed, as they could not be sorted alphabetically. All 7 lists are listed individually below in their entirety. Some titles will appear more than once if listed on more than one list.
